

Enjoy luxury holiday
home ownership at
**Culzean Bay and
Croyburnfoot**

The Stonewood

Holiday Homes with
stunning views across
the Firth of Clyde, Isle of
Arran and Ailsa Craig.

Creating your Victory

Innovation is in our DNA

Our team of innovation experts have turned traditional manufacturing processes on their head. From tweaks to interior configuration to working with our suppliers to develop materials that are more sustainable and future-proof - we never stand still in our commitment to give you the best holiday homes on the market.

Quality craftsmanship

Quality is at the heart of everything we do. Our unrivalled craftsmanship is renowned across the country and our long-standing customers, with whom we've developed strong relationships, are a testament to this.

You come first

Despite being one of the newest leisure home manufacturers in the UK, we're fast becoming the supplier of choice because of our reputation for customer service excellence. We aim to get it right first time. But on the rare occasion we might not, we make sure to put it right with no fuss. That's the Victory way.

Two year warranty

The combination of solid construction and contemporary design, integrated with comfort and function, demonstrates the depth of knowledge and experience of the entire Victory team. This underpinning gives us the confidence to offer a two-year warranty to all purchasers within the UK subject to certain terms and conditions. For purchasers outside of the UK, please refer to your supplier for warranty details. The warranty available is additional to and does not affect your statutory rights under consumer legislation.

Included as standard with your Victory:

- Novus wall system for a truly domestic look and feel throughout
- Novus composite floor to reduce bounce and save energy
- Top range models include our industry-leading lightweight, high-strength, fully galvanised chassis
- Sustainably-sourced materials to reduce the carbon footprint of all our products
- 100mm insulated roof
- 45mm wall insulation
- High compressive strength floor insulation
- Domestic gutters and downpipes
- Domestic interior doors and window frames
- Front and rear anthracite fascia and roof cappings
- Thermostatic shower mixer valve
- Low energy bulbs throughout and LED bulbs in all spotlights
- Steel pantile roof
- 10-year smoke detector and 2 carbon monoxide detectors
- Fire extinguisher and escape windows
- Exterior light near entrance

All features correct at time of print August 2023. Features and options subject to change.

Accreditations

We're recognised by the best and partner with the best.

THE Stonewood

Comfortable, charming and cosy, the Stonewood is a high-quality and affordable option to create holiday memories for years to come.

With a large kitchen/dining area, guests at the Stonewood can gather around the modern bench seating or whip up a feast in the kitchen. Contemporary open storage adds style and practicality to the bedrooms, and the easy to maintain bathroom comes complete with everything you need to enjoy holidaying your way in the Stonewood.

Key features:

- Available in a range of model sizes
- Lots of natural light
- L-shaped sofa with plenty of storage
- Neutral wood tones throughout
