The Malton

Designed to take your holidays to the next level, the new look Malton will make you fall in love with this classic holiday home all over again.

This stylish starter holiday home comes packed full of all the comforts of home - from central heating and freestanding furniture to its well equipped shaker style kitchen, it seamlessly combines traditional design with modern practicality.

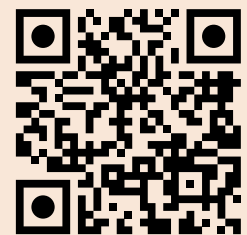

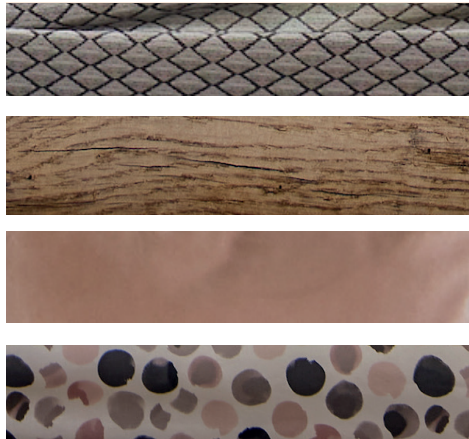

Its mauve pink and cashmere colour scheme combine to create a calming space in which to unwind and relax, while the soft palette is brought to life by the contrasting dark oak effect cabinetry throughout.

The open-plan layout and optional double sliding patio doors give the home a real sense of space, creating a warm and welcoming environment from the moment you step in the door.
